Commendations Received from the Joint Chiefs of Staff

1. Following the briefing of Gen. Nathan Twining USAF, Chairman of JCS, and his staff assistants on 26 November 1957, CDR Hirschfeld, Secretariat, called to inform us that Gen. Twining was "most appreciative of and very impressed with your briefing."

2. Earlier on 29 October, Adm. Arthur W. Radford USN (ret), former Chairman of the JCS and now a Special Presidential Adviser, was given the equivalent briefing. In this case the Secretariat also called to extend an equivalent commendation for the briefing.

3. The foregoing information is reported for your file of commendations received by ORR and represents the latest kudos received in D/GP.

4. I would also report that some fifty other briefings for top level military and government officials have been given by us with favorable responses in each instance. A list of these briefings and their dates can be supplied if you would like to have it.
